NABBED AN INTERSTATE DRUG PEDDLER GANG –
SEIZED (28) GRAMS OF HEROIN.

On 03-05-2019, the sleuths of Commissioner's Task Force, South Zone Team with the assistance of Kamatipura Police unearthed an interstate drug peddling gang and nabbed (5) persons who are found in possession of Narcotic substance i.e. **Heroin** and supplying the same in Hyderabad. Seized **(28) grams** of Heroin and (06) Cell phones at the instance of accused persons.

Particulars of accused persons:-

1. Usman Shaik N/o. Mumbai (**absconding**)
2. Samad Rais Khan S/o. Rais Khan, aged: 32 yrs, R/o. Malad West, Mumbai.
3. Ishaq Moinuddin S/o. Late Chand Pasha, aged: 23 yrs, R/o Kamatipura, Hyderabad.
4. Md Khaja Moinuddin @ Miskeen R/o. Yakutpura, Hyderabad.
5. Syed Wajeed R/o. Kamatipura, Hyderabad.
6. Abhishek Parik R/o. Hussainialam, Hyderabad.
7. Shaik Waheed Ali R/o. Madannapet, Hyderabad (**absconding**).
8. Syed Ameer Ali R/o. Edibazar, Hyderabad(**absconding**).

Brief facts:-

The accused **Ishaq Moinuddin** is a native of Kamatipura, Hyderabad. He was an electrician by occupation. As he was interested in acting in movies, he left for Mumbai in 2015 without informing to any of his family members and tried for chances in movies. Since he failed to get any chances, he ended up as an assistant for the DJ in pubs and stage shows. About one year ago, he came in contact with drug peddlers, Usman and Samad and he himself got addicted to drugs. During his frequent visits to Hyderabad, he gave small sample of drug (**Heroin**) to his friends and got them addicted. Meantime he became popular in his friend circle and started receiving orders for drugs from his friends circle and also from others. As they were ready to pay more amount compared to Mumbai's price, he started supplying them **Heroin** and earning money. In no time he found market in Hyderabad and started making quick and easy money.

The other persons Khaja, Wajeed, Abhishek, Waheed, Ameer and others are his regular agents as well as customers. They too are drug addicts and purchase drug from him for their personal use and also for supplying them to their friends during parties.

Ishaq carries drugs along with him in bus from Mumbai to Hyderabad. He takes every precaution while carrying drugs and keeps his luggage bag away from his seat to avoid being caught during police checking and gets isolated from his bag till he reaches Hyderabad.

Thus, the drugs are being supplied to Hyderabad from Mumbai only in smaller quantities as the drug peddlers are taking precautions to avoid huge quantity of drugs being caught. This time, the accused Ishaq and Samad came from Mumbai on 29.04.2019 along with **Heroin Drug** and supplied to the above.

Today i.e. on 03-05-2019, all the above accused were nabbed by South Zone Task Force and handed over to SHO, Kamatipura for further action.

Mode of Consumption and ill effects:

The addiction to drugs is posing a serious challenge to the society especially to the youth. Drugs abuse affect the body and brain which include health consequences that are long-lasting and permanent. They may even continue after a person has stopped taking the substance. Usually the drugs are taken through **injection, inhalation** and **ingestion**. They depend on how the drug is consumed.

For example, the injection of drugs directly into the bloodstream has an immediate impact, while ingestion has a delayed effect. But all misused drugs affect the brain. They cause large amounts of dopamine, a neurotransmitter that helps regulate our emotions, motivation and feelings of pleasure. Over a period of time, this conduct can turn into drug addiction.

Vision of Hyderabad City Police: Drug-free society.
