

Press Note for Traffic Program

WeCop Felicitation on 14 Nov 2021

The Hyderabad City Security Council (HCSC) in association with Hyderabad City Police has launched the WeCop program on 14 Jul 2020. The program WeCop is a part of traffic forum intended to promote traffic awareness among citizens. The objective of the program is to create traffic awareness among children and ask them to act as small cops (traffic police), and make their family members to follow traffic rules.

The program has covered 45 schools by virtual sessions and has reached out to around 10,000 students. The sessions were very engaging and children expressing their interests about career and questioning the ways to reach there. Many students gave innovative ideas about making Hyderabad the best city in the country. The program is ongoing and will be gradually spread to all the schools of Hyderabad.

On the event of children's days, HCSC, Hyderabad City Police and Hyderabad Traffic Police have organized the program to felicitate children from all the schools who have participated in the program. Around 45 kids who turned out to be the best WeCops were felicitated by Sri. Anjani Kumar Commissioner of Police & Chairman of HCSC. The school teachers and management have expressed happiness over the awareness sessions being conducted. Parents present at the felicitation have also expressed happiness about their kid participating in the program and asking them to follow traffic rules.
