BUSTING OF e-CIGARETTES & VAPES CASE SAVING TELANGANA YOUTH & CHILDREN

Date: 21-04-2025

The Telangana Anti-Narcotics Bureau (TGANB) and Hyderabad City Police noticed the selling of e-Cigarettes in and around the educational institutions of Hyderabad during the Drug Awareness campaigns conducted in the educational institutions. Some of the teachers of the said institutions raised their doubts regarding the selling of e-Cigarettes as well as Vapes to the youth & children at Abids. Then the TGANB kept surveillance at schools and colleges namely Little Flower School, St Marys Jr College, St George Grammar School, Rosary Convent High School, Sujatha High School and Jr College located at Abids, Hyderabad.

Later with efforts of TGANB established that one Sadiq Lalani and his brother Anil Lalani R/o Flat No.404, Shakthi Sai Complex, Near Haj House, Nampally, Hyderabad are involved in illegal sale of intoxicating Vapes and banned e-Cigarettes in Abids and other parts of Hyderabad and Andhra Pradesh.

They are selling these Vapes & banned e-Cigarettes to the youth as well as to the school going minor children by creating a WhatsApp group with **nearly 500 people** in the name of "SID" and advertising the new production if any arrived in this group. Seeing these advertisements, the group members will purchase by making online payments. The customers make UPI, Wallet, Bank transfers to the Phone & accounts of accused and his sister's, father's friend, mother & his Childhood friend.

Further it is also established that **Amit R/o New Delhi and Waseem R/o Mumbai** are supplying the e-Cigarettes to these Accused. The both brothers are utilizing the services of Hawala operators **Mangi Ramji Goutham R/o Hyderabad and C.R.Sharma** to send money if it is greater than Rs.50,000/-. If the value of the consignment is less than Rs.50,000/- they use the normal banking channels. They also used the Rapido, Uber and DTDC to deliver these e-Cigarettes. 13 juvenile students below the age of 18 yrs have been identified along with their phone numbers. These 13 juveniles have a very high chance of being sucked into Drug Abuse at a tender age. Local Police would be visiting their houses and counselling their parents.

Besides this, we have positively identified more than 400 users, who are a part of this group from the UPI, Wallet, Bhim, Bank Transactions & replies received from Rapido, Uber & DTDC Couriers. There is enough incontrovertible evidence available on record against these Accused. From the Bank Transactions, a conservative estimate can be made that they did this
